Verse 1:
Traces Of Your Voice
I Know It, I Know It So Well
Waking In The Storm
I Can Feel You, I Can Feel You With MeCan I Go Again
Oh Your Reckless, Your Reckless Life Goes
I Cannot Defend
This Untamed Heart Is WaitingChorus:
I Am Standing On The Edge
Take Me Over, Take Me Over
See How Fast This Life Can Change
Take Me Further, Lead Me FurtherTake Me Over, Take Me OverVerse 2:
Find My Life Ahead
Oh I Don't Know, I Don't Know Where
But I'm Starting On My Way
Will You Meet Me, Will You Meet Me ThereEchoes in the night
Like a melody is haunting me
But Then I Meet Your Eyes
With The Fire Of A Rising SunChorus:
I Am Standing On The Edge
Take Me Over, Take Me Over
See How Fast This Life Can Change
