

Love Confusion

Kat DeLuna

Dont know how we got this far
So attached now and this gets me
Like a thief you stole my heart
And Ive fallen in love so unfairly
Boy, I hate that my
World revolves around you
And I hate my heart
Cause it hurts without you
Why, why am I so lost in you?
And I dont even know me anymore
Why, I dont know why Im so confused
Cause I'm hating that I love you this much, boy
Confused, Im confused, Im confused
You gave me goosebumps
every time
My heart skips a beat when you touch me, Im so mesmerized
Who told you, you could be mine?
Im mad at you for this nice surprise
Boy, I hate that my
World revolves around you
And I hate my heart
Cause it hurts without you
Why, why am I so lost in you?
And I dont even know me anymore
Why, I dont know why Im so confused
Cause I'm hating that I love you this much, boy
You see I love you, then I hate you
And I hate you because I love you
And I need you, then I dont need you
I dont know just what to do
I think I hate you, yes, I hate you
Wait, I love you, I love you
Im really so confused
I love you, yes, I do
Why, why am I so lost in you?
And I dont even know me anymore
Why, I dont know why Im so confused
Cause I'm hating that I love you this much, boy
Why, why am I so lost in you?
And I dont even know me anymore
Why, I dont know why Im so confused
Cause I'm hating that I love you this much, boy
Why, why am I so lost in you?
And I dont even know me anymore
Why, I dont know why Im so confused
Cause I'm hating that I love you this much, boy
Confused, Im confused, Im confused
Confused, Im confused, Im confused
Confused, Im confused, Im confused
