

# Calling Me Names

## Good Old War

You should blame yourself  
You and no one else  
You can say you're not but you were guilty as well  
Instead of making sense  
And talking like we're friends  
You think it's a better idea

Calling, calling  
Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names  
Calling, calling me names

And I can talk about  
I always forget  
Something I did or something I should not have said  
When I think we're good  
It happens again  
You think it's a better idea

Calling, calling  
Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names  
Calling, calling me names

You should blame yourself  
You and no one else  
You can say you're not but you were guilty as well  
Instead of making sense  
And talking like we're friends

You think it's a better idea

Calling, calling  
Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names

Calling, calling  
Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names  
Calling, calling me names
