

# Spunky

## Eels

Spunky don't like her uniform  
It never fit so good  
Going back to the orphanage  
And the place where her garage once stood Well it's a free-for-all, free-for-all, free-for-all  
It's a free-for-all you and me  
And if you don't like what they are telling you  
You can't teach a blind man to see, well I can see Spunky looks good in her bright red wig  
Eating chocolate chip mint ice cream  
A cat named Lola with a violent past  
Is balled-up asleep 'cross her knees And it's a free-for-all, free-for-all, free-for-all  
It's a free-for-all you and me  
One day the world will be ready for you  
And wonder how they didn't see Spunky knows she can save the world  
In her own little way  
Turning in her old uniform  
'Cause you know it really didn't pay 'Cause it's a free-for-all, free-for-all, free-for-all  
It's a free-for-all you and me  
I'll walk through the world with your name on my tongue  
And your picture etched on my screen
