

Last Kiss

Taylor Swift

I still remember the look on your face
Lit through the darkness at 1:58
The words that you whispered
For just us to know
You told me you loved me
So why did you go
Away
Away I do recall now
The smell of the rain
Fresh on the pavement
I ran off the plane
That July ninth
The beat of your heart
It jumps through your shirt
I can still feel your arms But now I'll go sit on the floor
Wearing your clothes
All that I know is
I don't know how to be something you missed
Never thought we'd have a last kiss
Never imagined we'd end like this
Your name, forever the name on my lips I do remember
The swing in your step
The life of the party, you're showing off again
And I roll my eyes and then
You pull me in
I'm not much for dancing
But for you I did Because I love your handshake
Meetin' my father
I love how you walk with your hands in your pockets
How you kissed me when I was in the middle of saying something
There's not a day I don't miss those rude interruptions And I'll go sit on the floor
Wearing your clothes
All that I know is that
I don't know how to be something you miss
Never thought we'd have a last kiss
Never imagined we'd end like this
Your name, forever the name on my lips So I'll watch your life in pictures like I used to watch you sleep
And I feel you forget me like I used to feel you breathe
And I'll keep up with our old friends just to ask them how you are

Hope it's nice where you are
And I hope the sun shines
And it's a beautiful day
And something reminds you
You wish you had stayed
You can plan for a change in weather and time
But I never planned on you changing your mind
So I'll go sit on the floor
Wearing your clothes
All that I know is that
I don't know how to be something you miss
Never thought we'd have a last kiss
Never imagined we'd end like this
Your name, forever the name on my lips
Just like our last kiss
Forever the name on my lips
Forever the name on my lips
Just like our last
