

# Never Seen Such Good Things

**Devendra Banhart**

Never seen such good things go so wrong  
And everywhere we turn they're playing our song  
I should have known someone so much like me  
Would give me hell and send me to my knees  
Love you're a strange fella  
Won't you leave your mark on me  
Love you're a strange fella  
Won't you leave your mark on me  
If we ever make sweet love again  
I'm sure that it will be quite disgusting  
Race to the end, race to the end  
The memory of a ceremony so

Empty bitter boring and hollow  
Hollow  
But love you're a strange fella  
Won't you leave your mark on me  
May as well be forever  
Love won't you come and punish me  
Sad lady you win  
Sad lady you win  
Sad lady you win  
Sad lady you win  
Sad lady you win  
Sad lady you win  
Sad lady you win  
Sad lady you win
