

# Some People Change

## Montgomery Gentry

Advisory - the following lyrics contain explicit language:

His old man was a rebel yeller  
Bad boy to the bone  
He'd say, "Can't trust that other fella"  
He'd judge 'em by the tone of their skin  
He was raised to think like his dad  
Narrow mind full of hate  
On the road to no where fast  
Till the grace of God got in the way  
Then he saw the light and hit his knees  
And cried and said a prayer  
Rose up a brand new man  
Left the old one right there  
Here's to the strong, thanks to the brave  
Don't give up hope, some people change  
Against all odds, against the grain  
Love finds a way, some people change  
She was born with her mother's habit  
You could say, it's in her blood  
She hates that she's gotta have it  
As she fills her glass up  
She'd love to kill that bottle  
But all she can think about  
Is a, a better life, a second chance  
And everyone she's letting down  
She throws that bottle down  
Here's to the strong, thanks to the brave  
Don't give up hope, some people change  
Against all odds, against the grain  
Love finds a way, some people change  
Thank God for those who make it  
Let them be the light, let them be the light  
(Some people change)  
Here's to the strong, thanks to the brave  
Don't give up hope, some people change  
Against all odds, against the grain  
Love finds a way, some people change, some people change
