Face to Face

I'm not so bulletproof
But this is something
I could never say to you
This sometimes buries me
And I don't know if this is someone I can beI tell myself it's right
Still feels so wrongIt's better than nothing
I'd rather not be here all by myself
It's better than nothing here with someone else
It's better than nothing
I'd rather not be standing here alone
It's better than feeling like you're on your ownI'm not so culpable
I never meant for this to get out of control
