

Black Moon

The Mallett Brothers Band

Talk to me, like you do
Youâ€™ll be angry, Iâ€™ll be cool
Tell me all about your plight
Iâ€™m gonna help you see the light

Tell me, black moon
Wonâ€™t she come back home soon
Tell me, Maybelline,
Wonâ€™t you, wonâ€™t you

Darlinâ€™ girl, Maybelline
Kill me now, make it clean
Bring me down, where you are
Cut me deep

Tell me, black moon
Wonâ€™t she come back home soon
Tell me, Maybelline,
Wonâ€™t you, wonâ€™t you...
