# Like That's A Bad Thing

## Danny Gokey

They say I drive a little fast
Say, I like to push the limit
Every day I'm living like it was my lastThey say I'm proud of my scars
Each one's got a story
Got guts and glory down to an artSay, I know what it's like
To see life flash before my eyes
Like that's a bad thingI don't know about you
But I was put here to live and love
So what if I don't do it
Like everybody else doesThey say I'm out on the edge
I'm too willing to risk
Every bone, every breath
They say all I am is a crazy dream
Like that's a bad thingSo my heart's been broke
So I keep on falling
It's nothing but all in when I let go
I wear it on my sleeve
They call me a fool 'cause I still believe
Like that's a bad thingI don't know about you
But I was put here to live and love
So what if I don't do it
Like everybody else doesThey say I'm out on the edge
I'm too willing to risk
Every bone, every breath
They say all I am is a crazy dream
Like that's a bad thingI don't know about you
But I was put here to live and love
So what if I don't do it
Like everybody else doesThey say I'm out on the edge
I'm too willing to risk
Every bone, every breath
They say all I am is a crazy dream
Is a crazy dreamLike that's a bad thing
Like that's a bad thing
