Rebound

Drew Seeley

How it started out with usPerfect is how it started out with us
Finally a girl that I could trust
With beauty, brains
Knows how to lie she's just
Perfect
And when I looked into your eyes
Felt like the luckiest man alive
Until your girlfriend told me what I wasI'm what you used to keep your mind off someone else
And either way I lose when you put me on the shelfSo don't lead me on
If you're gonna stay around
Cause I don't wanna be one
If you're on the rebound
i can't be with you
Not matter how good it sounds
Cause I don't wanna be your fool
If you're on the reboundListen I'm really falling hard for you
But you're in love with two
Can't have your cake and eat it too
So listen
I don't want this thing to end
But if you got a special friend
You keep running back to him
So understandI'm not that guy to pretend and live a lie
Tell me what it is you
If it's not me then say goodbyeBut just don't lead me on
If you're gonna stay around
Cause I don't wanna be one
If you're on the rebound
i can't be with you
Not matter how good it sounds
Cause I don't wanna be your fool
If you're on the reboundSo don't lead me on
If you're gonna stay around
Cause I don't wanna be one
If you're on the rebound
i can't be with you
Not matter how good it sounds
Cause I don't wanna be your fool
If you're on the reboundSo don't lead me on

If you're gonna stay around
Cause I don't wanna be one
If you're on the rebound
i can't be with you
Not matter how good it sounds
Cause I don't wanna be your fool
If you're on the rebound
