Follow The Road

The Dunwells

Get up and face the truth!
Life is up to you
Just go forward!
Find your feet, my friend
Time heels everything
Just go forward!
As this song goes down, we carry on regardless!Arms are opened wide, fight the urge to cry
The both feet...
Stand upon, shout out loud
Follow the road my friend, follow the road my friend
Follow the road my friend, follow the road my friendGet up and face the truth!
Life is up to you
Just go forward!
Find your feet, my friend
Time heels everything
Just go forward!
As this song goes down, we carry on regardless!Believe now, you please believe!
Follow the road my friend, follow the road my friend
Follow the road my friend, follow the road my friend
Believe now, you please believe!
Follow the road my friend
Believe now!
