Self Inflicted

The Chevalier Brothers

I wish it wasnâ€™t true
I finally saw what you did
I had to wrap my head around it

I tried to look away
It never seemed okay
You better brace yourself for impact

Are you listening now?
Are you listening now?
Are you listening now?
You made me do this to you

Yea! Now whoâ€™s listening?
Thatâ€™s what I thought!
Yea! Now whoâ€™s listening?
Thatâ€™s what I thought!

[Chorus]
You made this!
Self-inflicted!
You made this!
Self-inflicted!

I got to let you know
The voice inside me grows
Itâ€™s like my head right back around it

Itâ€™s got me thinking clear
Thereâ€™s nothing left in here
You better brace yourself for impact

Are you listening now?
Are you listening now?
Are you listening now?
You made me do this to you

Yea! Now whoâ€™s listening?
Thatâ€™s what I thought!
Yea! Now whoâ€™s listening?

Thatâ€™s what I thought!

[Chorus]

As Iâ€™m driving
Til the wheels fall off
Driving
Til the heavens blow out

Are you listening now?
Are you listening now?
Are you listening now?
You made me do this to you

Yea! Now whoâ€™s listening?
Thatâ€™s what I thought!
Yea! Now whoâ€™s listening?
Thatâ€™s what I thought!

[Chorus: x2]
