

Torment Me (Solitary Experiments Remix)

Suicide Commando

Punish scraping the flesh pleasure raping your soul rotten breeding aggression reaper rip out your soul crucified
bring on the heathen exorcised bring on the demons sacrificed bring on the evil parasite bring on your death to

meTorment me

I want to feel your pain

Torment me

This is no stupid game

Torment me

I want to feel your pain

Torment meDestroy me despite me disgust me punish scraping the flesh pleasure raping your soul rotten
breeding aggression reaper rip out your soul crucified bring on the heathen exorcised bring on the demons
sacrificed bring on the evil parasite bring on your dead to me
