

Screamer

Ruvie

Communication is a lot like the wind
When I speak it's like no one understands
And I'm left with empty hands forever, I can't speak
 So many things I'll never learn
 You can't cross bridges that your burn
 Why is life such an issue in your mind?
 Why are the answers to my problems hard to find?
 So hard to find!
 So hard to find!
 Don't forget to buckle when you fall
 Beneath the pressure of the seconds
 When your life became a screamer
 Staring at the sea, things become so small
I want movies of my dreams and pictures on my wall
 Pictures on my wall
 Why is life such an issue in your mind?
 Why are the answers to my problems hard to find?
 So hard to find!
 So hard to find!
 You say that I'm a dreamer

 I say you're a non-believer
 Take out the light
 Take out the light, start screamin'
 I'm dreaming, I'm a dreamer
 No one believes me
 And you don't either
 Don't tell me what to do
 Take out the light
 Take out the light
 Take out the light
 Take out the light, start screamin'
 Take out the light
 Take out the light
 Take out the light
 Take out the light, start screamin'
 Take out the light, start screamin'
 Take out the light, start screamin'
 Take out the light, start screamin'

Yeah
