

# Missing You

## John Waite

Every time I think of you  
I always catch my breath  
And I'm still standing here  
And you're miles away  
And I'm wondering why you left  
And there's a storm that's raging  
Through my frozen heart tonight  
I hear your name in certain circles  
And it always makes me smile  
I spend my time thinking about you  
And it's almost driving me wild  
And that's my heart that's breaking  
Down this long distance line tonight  
That I ain't missing you at all  
Since you've been gone away  
I ain't missing you at all  
No matter what my heart might say  
Well there's a message in the wild  
And I'm sending you this signal tonight  
You don't know, how desperate I've become  
And it looks like I'm losing this fight  
In your world, I have no meaning  
Though I'm trying hard to understand  
And it's my heart that's breaking  
Down this long distance line  
But I ain't missing you at all  
Since you've been gone away  
I ain't missing you at all  
No matter what heart might say  
And there's a message that I'm sending out  
Like a telegraph to your soul  
And if I can't bridge this distance  
Stop this heartbreak overload  
I ain't missing you at all  
Since you've been gone away  
I ain't missing you at all  
No matter what my friends might say  
I ain't missing you at all  
See I can lie to myself these days  
I ain't missing you at all  
Doing fine baby, every thing's okay  
'Cause I ain't missing you  
I ain't missing you
