It's Outland Moro, never heard this before yeaWhether you work in a storeOr sick and tired of thuggish ruggish inlawsAll feel the urge to explode sometimesKeeping it calm aint in our bloodSo we must bust within our limitsCall me, I'll be online
Say it's gonna be fine
Don't u worry about life (no no

Say I'll be back in any time
Cuz I've got to provide??Chorus:
Gonna let off some steam..
I'm gonna let off some steam
If you know what I mean
Gonna let off some steam
If you .... against the world
And you got no one to call
Just let off some steam
But hey let off some steamLenny:
Mira,
Cuando no puedas mas,
Ni tengas tiempo de reir, ni de pensar
Y el peso del mundo est contra tuya
Pega un grito dale bulla, esto es carnaval,
Que.. no puedas mas, ni tengas tiempo de reir ni de pensar
Y el peso del mundo est en contra tuya
Pega un grito, dale bulla, esto es carnaval!"Esto es lo que hay
Esto es lo que viene
Esto es lo que va
Este es lo que da
Esta es mi verdad y yo
Este es lo que hay
Este es lo que viene
Esta es mi verdad,
Cuentame la tuya
Secate lo ojos dale bulla, dale bulla
Ya tu sabes.translation:

When you can not,
Neither has time to laugh, or think

And the weight of the world is against you

Que .. can not or have time to laugh or think
And the weight of the world is against you
Paste a shout, dale bulla, that is Carnival! ""This is what is
This is what comes
