

# Another Story Girl (Nathan Jay Remix)

[Stina Nordenstam](#)

You were at the hall one night  
I saw it on his face  
I've seen you before  
Cause on his wall you left a trace  
There's a portrait of yours  
Hanging in his hallway still  
In his eyes a pain that will not fade  
I know it never will  
Some other town  
And other faces  
It's another story  
Some other town  
Leaving no traces  
It's another story  
Another story  
Another story  
You were selling paintings in a gallery in town  
He could not afford to buy one  
Yet he kept coming by  
Trust is hard although you do try  
It's easier to be true  
He said "I don't want to watch things I can't buy  
No I want you"  
Some other town...  
I give him all my love I do  
Like he gave his to you  
You packed your clothes and things once  
Now I'm thinking of it too  
There was a girl her eyes were blue  
He'd miss her when she'd gone  
There was a boy who'd die for you  
For anyone he'd want  
Some other town  
And other faces  
It's another story  
Some other town  
Leaving no traces  
It's another story  
Another story
