Procreation:Self Abuse

Scarlet Soho

Making your fun
But will this life go on
You will see
All the broken homes
For all these broken bones
And not me

Itâ€™s no use
Procreation is your self abuse
Nailed my hands to you or
Or is it easier
To be god
A smally replaceable (dream)

Making expressions
Beyond comprehensions
Will break you up fashionably
Divisions of decency
Why canâ€™t you see
That nothing hear
Belongs to me

Itâ€™s no use
Procreation is your self abuse
Nailed my hands to you or
Or is it easier
To be god
A smally replaceable dream

Itâ€™s not use
Canâ€™t you see when in talking you
Nail my hands to you or
Or is it easier
To be god
To be god
To be god
To be god
To be god
To be god
To be god

To be god
