

# It's Alright (Radio Edit)

## Bang Gang

I said something wrong  
I just can't hide it  
It runs out  
And I can't fight it  
It's alrightI meant nothing bad  
I'm just excited  
Please don't cry  
I try to fight it  
It's alrightAnd I was  
In your arms  
And you were in my arms  
And I was  
In your arms  
And you were in my arms  
It's alright  
It's alrightI meant nothing bad  
I'm just excited  
Please don't cry  
I try to fight it  
It's alrightAnd I was  
In your arms  
And you were in my arms  
And I was  
In your arms  
And you were in my arms  
It's alright  
It's alrightAnd I was  
In your arms  
And you were in my arms  
And I was  
In your arms  
And you were in my arms  
And you might like what I say  
And you might get what you hate  
And it's okay to be right here by you  
It's alright...
