Lifetime

These Kids Wear Crowns

I was reborn when I was broken
I wouldn't believe, I wouldn't believe, no
Been through a storm, no use in hoping
That you would come rescue me
Somehow your love set me free
And I, I can let my life pass me by
Or I can get down and try
Work it all out this lifetime
Work it on out this time
I can let it all pass me by
Or I can get down and try
Work it all out this lifetime, lifetime
There was a time when love wasn't chosen
Now I'm just open for more
Now I'm just reaching out for something better
That I had before, girl
There ain't a bottom line in your world
Ooh, and I, I can let my life pass me by
Or I can get down and try
Work it all out this lifetime
Work it on out this time
I can let it all pass me by
Or I can just try and try
I can move to the light
Oh, if I take it one day at a time
Oh, spread my love out and fly, oh, I
(I can move to the light)
Ooh, I can just make you understand
That love is not a fairytale in a melody
If you want it you can have it, girl
Maybe you will see, maybe you will see
Ooh, oh, oh, wo, oh, lifetime, lifetime
Ooh, and I, I can let my life pass me by
I can just try and try
Work it all out this lifetime, lifetime
I can let it all pass me by
Or I can just, alright now
(Lifetime, lifetime)
I can let my life pass me by

Work it on
(Lifetime, lifetime)
(I can let my life pass me by)
There's no way, there's no way
I won't leave, I won't leave
(Lifetime, lifetime)
(I can let my life pass me by)
Oh, you're so mine, baby
(Lifetime, lifetime)
