The Finest

Easy Star All-Stars

The finest
As light goes out, you learn to hold on
You learn to appreciate the finer things in life
The finestIf I had a choice, I'd always choose a love
Up or down, good or bad, I don't mind
Just as long as it's realMy friend said I'm lucky
To have found someone as good as you
My love's understanding
Understanding how to hold on to youAfter all that we've been through
Time will change the way I think about you
Out of all the loves before
You're the finest I'll ever knowIf I had to choose, I'd be by myself
I wanna be in love but with nobody elseTime flies when you're with me
It goes so slow whenever you're away
Made up my mind and I'm positive
A better love will never come my wayAfter all that we've been through
Time will change the way I think about you
Out of all the loves before
You're the finest I'll ever knowAfter all that we've been through
Time will change the way I think about you
Out of all the loves before
You're the finest I'll ever knowNo, you keep me in love
I know just call me a foolNo other love before could do what you do
I need to so much, so much more from you
No one else will do, the more said for two
Your love's the finest love I'll ever knowOh baby, you're the finest, the finest I say
Oh baby, you're the finest, the finest one for meOh baby, you're the finest, the finest I say
Oh baby, you're the finest, the finest one for me
Oh baby, you're the finest, the finest I say
Oh baby, you're the finest, the finest one for meAfter all that we've been through
Time will change the way I think about you
Out of all the loves before
You're the finest I'll ever knowAfter all that we've been through
Time will change the way I think about you
Out of all the loves before
You're the finest I'll ever knowOh baby, you're the finest, the finest I say
Oh baby, you're the finest, the finest one for me
Oh baby, you're the finest, the finest I say
Oh baby, you're the finest, the finest one for me
