

# Aw Naw

Chris Young

Yeah, I think I'm gonna leave  
I just had that one drink  
And we've all gotta be up early  
Boys, we oughta shut her down  
Just take it to the house  
Before anybody starts getting crazy So I started walking across the floor  
Before I got to the door Aw naw, somebody just bought a  
Shot of Patron, hang on  
I just might have to stay  
Aw naw, look at the time y'all  
What happened to coats on, long gone...  
I should be halfway home but aw naw Yeah, girl I saw you come in  
With all of your girlfriends  
Just cuttin' up and shooting Bacardi  
Yeah, I got my boys with me  
But we're just blowin' off steam  
Not lookin' to pick up anybody So I was gonna walk on by  
You turned around and we locked eyes Aw naw, did you hear that song,  
Oh the one that just came on  
Come on, DJ, what you trying to do?  
Aw naw, it would be so wrong  
If we didn't dance one  
Show off those jeans you painted on, aw naw, aw naw No, I didn't mean to be here this long  
I tried to leave so it ain't my fault.  
No I didn't mean to be holding you  
But tell me what was I supposed to do? Aw naw, somebody just bought a  
Shot of that Patron, hang on  
We've been here all night long  
Aw naw, it would be so wrong  
If we didn't dance one more song  
Show off those jeans you painted on, aw naw Yeah, aw naw  
Those jeans you painted on, aw naw
