

# Is This It

## Kate Walsh

You're coming a long, long way  
I wonder if you should stay  
Oh, but what if you could say  
Everything to make my day  
So take all of your time, darling  
You know I'm not dreaming away, or am I?  
Just tell me all you're thinking  
At every step of the way  
'Cause when you get here we can play  
Oh, when you get here what will I say?  
Oh, when you get here we'll make a day of it  
And we'll wonder, is this it?  
My heart is racing  
To think that you're in reach  
Goosebumps and all those highs and lows  
Will you understand how it feels?  
'Cause when you get here I will play  
This one song that I wrote today  
Oh, when you get here can we make a day of it  
And just wonder, is this it?  
Goosebumps and all those highs and lows  
Will you understand how it feels?
