## The Crabb Family

### Verse 1

Rehab said "we heard about your Lord how He parted the water to dry land How you came out of Egypt and what you did to the Amorites two Kings men, As we listen to these marvelous things, our heart begins to melt  
Neither was there any courage in our men to be felt, For we understand now that your god, he is the one above, And we won't underestimate His favor, power, and his love."

### Chorus

He said "I'll be back to get you, Your faith has set you free, No longer will you live your life in captivity While the lands destroyed around you safe in our arms you'll be, oh I'll be back to get you For you faith has set you free." Verse 2

One day I was living a life of hopeless sinful for defeat, Oh Satan thought he had me bound, His goal for my life was complete But God of grace and mercy reached down and turned my life around And now I long to sing His praises and to here that trumpet sound

I've got my eyes toward heaven and on Him I will depend ,

Oh He'll be back to get me, On a cloud I will ascend He said, "I'll be back to get you, your faith has set you free,

No longer will you live your life in captivity,

While the lands destroyed around you, safe in my arms you'll be

Oh I'll be back to get you for your faith has set you free."
