My Wish

Rascal Flatts

I hope the days come easy and the moments pass slow
And each road leads you where you want to go
And if you're faced with the choice and you have to choose
I hope you choose the one that means the most to youAnd if one door opens to another door closed
I hope you keep on walkin' til you find the window
If it's cold outside, show the world the warmth of your smile
But more than anything, more than anythingMy wish for you
Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can holdAnd while you're out there gettin' where you're gettin' to
I hope you know somebody loves you
And wants the same things too
Yeah, this is my wishI hope you never look back but you never forget
All the ones who love you and the place you left
I hope you always forgive and you never regret
And you help somebody every chance you getOh, you'd find God's grace in every mistake
And always give more than you take
But more than anything, yeah more than anythingMy wish for you
Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can holdAnd while you're out there gettin' where you're gettin' to
I hope you know somebody loves you
And wants the same things too
Yeah, this is my wish, yeah yeahMy wish for you
Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can holdAnd while you're out there gettin' where you're gettin' to
I hope you know somebody loves you
And wants the same things too
Yeah, this is my wish
(My wish for you)This is my wish
(My wish for you)
I hope you know somebody loves you
(My wish for you)
May all your dreams stay big
(My wish for you)
yeah this is my wish
