[Dahvie]  
Uh-Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh-Uh  
Uh-Uh-Uh-Uh-Uh[Dahvie]  
I've got this gun, to your head  
I've got blood, on these hands[Jayy]  
I'll be your eternal, never ending  
I'll be the end of your beginning[Dahvie]  
I'm the battle to your every war  
I'm the first rip of everything torn[Jayy]  
I've got no room in this heart  
Gonna tear you apart[Chorus]Jayy- Death to your heart  
Dahvie- And I'll rip it apart  
Jayy- You've come undone  
Dahvie- You're the weakest one

Dahvie- and I'll rip it apart (Rip it apart)  
Jayy- You've come undone  
Dahvie- You're the weakest  
The weakest one[Verse 2][Dahvie]  
Infected with deception  
Destruction is my obsession  
I'll feed off your sweet suffering  
Your confession is my sweet crime  
You fill me up with your lies  
Thought i knew you deep inside  
So when i take this razor to your neck  
I'll cut out all your fucking regrets  
I've got no room in this heart  
Gonna tear you apart[Chorus]Jayy- Death to your heart  
Dahvie- And I'll rip it apart  
Jayy- You've come undone  
Dahvie- You're the weakest one  
Jayy- Death to your heart  
Dahvie- and I'll rip it apart (Rip it apart)  
Jayy- You've come undone  
Dahvie- You're the weakest  
The weakest one[Bridge][Dahvie]
