

The Company Man

a-ha

Andy was the company man
Responsible for signing the band
Songs came out of our mouths
And into his hands
Oh yeah Legal help, yes we had plenty
Bank-accounts are easy to empty
Everybody's trying to help
Everyone is so friendly
Oh yeah And we all come down
Don't make a sound as we hit the ground
Yes we all fall down
Don't make a sound as we hit the ground Give us something easy to sing to
Give us something simple to cling to
Something we can all understand
Said the company man
Oh yeah
We sing And we all fall down
Don't make a sound as we hit the ground
Yes we all fall down
Don't make a sound as we hit the ground Yes we all fall down
Don't make a sound as we hit the ground
May we all fall down
Don't make a sound as we hit the ground
