

From Point A to Point B

Modest Mouse

Point A to point B, oh I know
Lots of points with no points in between, for me
So lonely but never alone, I know
I'm at my house but I wish that I were at home
Point A to point B, oh I know
What's the points with the bat passes danger for me Dig hard
(Dig hard)
But don't try at all, dig hard
Dig hard, I'll get down on all and dig hard
(Fours)(I've been working on the railroad time, uh oh)
Only you know how
(That broke)
Only you know how
Only you know how
(I've been working on the railroad time, uh oh)
(That broke)
(I've been working on the railroad time, uh oh)
Only roads can't talk
(I've been working on the railroad time, uh oh)
