## Mia Martina

I don't feel like smilin'  
No there's nothing you could do for me  
Today I just feel like dyin'  
Funny now you seem to care if I bleedIt's too late for a fix  
I'm a wreck over this  
Done with shit that you say  
Don't pretend like I'm overreacting again  
Well excuse me for feeling this wayYeah my heart fucking hurts  
Yeah my heart fucking hurtsI'm not a superhuman  
I could still break from all the pain  
I'm not immune to losin'  
All the games you make me playDon't you think if I could that I would  
Pull this knife from my back and move on  
Tell my why would I want to just lay here and cry  
All I want is your ghost to be goneYeah my heart fucking hurts oh oh oh  
Yeah my heart fucking hurtsGo on, go on  
Take away everything I own  
What do you want  
Why can't you leave me the hell alone  
Too tired to speak  
Why won't you just let me be  
Let me be, let me be  
Why won't you just let me beYeah my heart fucking hurts (My heart is breaking now baby)  
(Now I'm saying that I got to let you go)  
Yeah my heart fucking hurts (My heart is breaking now baby)  
(Now I'm saying that I got to let you go)My heart is breaking now baby  
Now I'm saying that I got to let you go  
My heart is breaking now baby  
Now I'm saying that I got to let you goNow my heart (My heart is breaking now baby)  
Fucking hurts (Now I'm saying that I got to let you go)  
Yeah my heart fucking hurts (My heart is breaking now baby)  
Oh my heart, my heart (Now I'm saying that I got to let you go)I don't feel like smilin'  
No there's nothing you could do for me
