Run To You

Plus One

Sometimes when the world
Gets so cold
And my heart
Is fifteen below
And I feel like I'm
So far from home
I run to youWhen life doesn't
Go like planned
So confused and
I don't understand
It's hard 'cause
It's out of my hands
And this is what i do
When I got
Nothing left to giveChorus
I run to you
When I can't find my way
And I get lost in you
When I don't have the faith
When I don't know what to do
I feel I can't make it through
I run to youSo it goes, every life has some rain
Everyone's gotta deal with some pain
But I know how to make it ok
I tell you what I do
When my back's
Up to the wall you knowChorusYou are my light
You're my everything
In a place of chaos you're the
One thing that brings me peace
I'll give my hear, I'll give my all
When I'm beat down
You're always standin' tallI run to you
I'm so lost in you
When I need you
Oh I need youChorus
