

Sikamikanico

Red Hot Chili Peppers

Everybody knows we're Hollywood skunks
Soulful sexy funky monks
My tinsel town is made of steel
Let's whip, let's shout, let's make a deal
Hollywood and Hollywood not
We are so lively on the spot
Never sold out always in stock
Are you deaf or does this rock?
Silly little creature, sikamikanico
Sittin' on a bleacher, sikamikanico
I don't want a teacher, sikamikanico
If we're gonna reach ya, sikamikanico
Don't you know 'bout Frank Sinatra
That's all gone because I got up
We don't just play, we display
Gotta give it up, gotta do it my way
Shootin' my sex into the cave
Your mind receives my radio wave
Shake it girl, you won't get hurt
I knock my dick into the dirt
Silly little creature, sikamikanico
Sittin' on a bleacher, sikamikanico
I don't want a teacher, sikamikanico
If we're gonna reach ya, sikamikanico
Anybody want some, sikamikanico
Everybody on the run, sikamikanico
Rock it more breeza, sikamikanico
If we're gonna treasure, sikamikanico
Hey, ho, let's go
Mother fucker, wanna be a jigolo
Let me demolish how it goes
Under ho sittin' on my big toe
Hey Joe, a radio chump
I'll never gonna overcome in Hollywood, I'll come alone
Oh no, it would now leave my nose that you blow
Hey ho, let's go
So big boy says you are bad news
We doubt our mama's been confused
It's plain to see we rock the groove

If you don't like it, time to move
And all the press, you don't amaze me
I'm not your dick so don't appraise me
Never gonna fit your critical shit
You better watch out, you might get hit
Silly little creature, sikamikanico
Sittin' on a bleacher, sikamikanico
I don't want a teacher, sikamikanico
If we're gonna reach ya, sikamikanico
Anybody want some, sikamikanico
'Nother band on the run, sikamikanico
Rock it more breeza, sikamikanico
If we're gonna treasure, sikamikanico
