

# Tell the Truth (Live at Herdon W/Intro Version)

Ray Charles

Tell the truth  
Tell the truth  
Well, you know what you done to me  
You made me fall for you Tell the truth  
Tell the truth  
Well you know you can make me do  
What you want me to Loving you, feelings started  
But, I'm goin' to stop it  
If I could, I surely would  
I would roll up around you  
If I thought it would do any good Why don't you tell the truth  
Tell the truth  
Well you know you can make me do  
What you want me to Loving you, feelings started  
But, I'm goin' to stop it  
If I could, I surely would  
I would roll up around you  
If I thought it would do any good Why don't you tell the truth  
Tell the truth  
Well you know you can make me do  
What you want me to Whooah, come on, tell the truth, now  
And I know, I know, baby  
Every day, every night  
Whooah, hold me tight And I know, and I know  
You oughta, you oughta  
Stop lying, stop lying, whooh  
Whooh, whooh, whooh Oh baby  
Now tell the truth  
Every day of your life, tell the truth little girl  
What about that man you were with last night  
I want to know  
Come on baby  
Hey hey  
Every day of your life, you oughta  
Come on baby tell the truth
