

# Living In America

[Dan Hartman](#)

Super highways coast to coast just easy to get anywhere  
On the trans continental overload; just slide behind the wheel  
How does it feel when there's no destination that's too far  
And somewhere on the way you might find out who you are?

Living in America, eye to eye, station to station  
Living in America, hand to hand across the nation  
Living in America, got to have a celebration!

I live in America  
I live in America

You may not be looking for the promised land  
But you might find it anyway  
Under one of those old familiar names, like

New Orleans  
Dallas  
Detroit City  
Pittsburgh, P.A.

New Orleans  
Dallas  
Detroit City  
Pittsburgh, P.A.

New York City  
Atlanta  
Kansas City

New York City  
Atlanta  
Kansas City  
Chicago and L.A.

Living in America, eye to eye, station to station  
Living in America, hand to hand across the nation  
Living in America, got to have a celebration!
