

Revolutionary Kind

Gomez

Keep on kickin' shit
Keep runnin' off the rails
Keep on pickin' the dirt
From 'neath your fingernails 'Cause I'm not worried
About your state of mind
'Cause you're not the revolutionary kind Keep on in the jungle
With your techno-cality
Keep on lapping up
Your chemical duty-free 'Cause I'm not worried
About your state of mind
'Cause you're not the revolutionary kind Keep on twistin', turnin'
Staring down the sun
Keep on dancin', dancin'
Dance with everyone You're not the revolutionary kind
You're not the revolutionary kind
You're not the revolutionary kind [Incomprehensible]
