

Love Me Do

The Beatles, Tony Sheridan

Honey, don't you know I love you?
'Cause I give you all I can, I do
Everything I've tried to help you
Love me too Give a little of what you take from me, honey
That's all you have to do
Won't you come on over here and love me?
Love me do Love, love, love me
Love me do
Love, love, love me
Love me do, yeah Honey, don't you think I need ya?
Indeed I do
Won't you come on over here and love me
Love me too Give a little of what you take from me, honey
That's all you have to do
Won't you come on over here and love me?
Love me do Love, love, love me
Love me do, oh yeah
Love, love, love me
Love me do, oh yeah Honey, don't you think I love ya?
'Cause I give you all I can, I do
I tried everything I could to help you
Love me too Ooh, now, love, love, love me
Love me do
Well, love, love, love me
Love me do Love, love, love me
Love me do
Love, love, love me
Love me do, oh yes Come on, love, love, love me
Love me do, won't you, lover?
Well, love, love, love me
Love me do
Oh yeah, oh yeah, oh yeah
