# Satan's Fall

## Mercyful Fate

They're walking by the night
The moon has frozen blue
Long black coats a shelter for the rain
Their load must get throughNow bats are leaving their trees
They're joining the call
Seven Satanic hell preachers
Heading for the hallBringing the blood of a newborn child
Got to succeed, if not it's Satan's fallHome come home
Evil messengers with blood stained wings
Home come home, home come homeIs it Satan's fall?
No it's Satan's callCraniums high on stakes
It's Satan's epigraph
Something you can't erase 666
They call him the beastUse your demon eyes, uncover the disguise
Time is out yeah, I don't need your god
Oh, the law of Satan pray and obey it forever
Oh, the law of Satan innocent lovers it's a lieIron fists won't do no good against the evil eyes
Of seven holy hell preachers, don't you even try
Now they cross the river Styx and see the castle rise so highWaiting on the other shore for Charon to arrive
A shape with horns and glowing eyes, Satan's still alive
He receives the sacrifice with evil laughs and pride
You better escape, you've got to escape you cannot escape
