Nightime

Big Star

At nighttime I go out and see the people
Air goes cool and hurryin' on my way
And dressin' so sweet, all the people to see
They're lookin' at me, all the people to seeAnd when I set my eyes on you
You look like a kitty

And when you're in the moon
Oh, you look so prettyCaught a glance in your eyes
And fell through the skies

Glance in your eyes And fell through the skiesI'm walkin' down the freezin' street

Scarf goes out behind
You said, "Get them away

Please don't say a word""Get me out of here Get me out of here

I hate it here

Get me out of here"At nighttime I go out and see the people
Air goes cool and hurryin' on my wayA glance in your eyes
And fell through the skies
Glance in your eyes
And fell through the skies
