Calm After the Storm

The Common Linnets

Driving in the fast lane
Counting mile marker signs
The empty seat beside me
Keeps you on my mindLivin' in the heartache
Was never something I pursued
I can't keep on chasing
What I can't be for youOoh skies are black and blue
I'm thinking about you
Here in the calm after the stormTears on the highway
Water in my eyes
This rain ain't gonna change us
So what's the use to cry?I could say I'm sorry
But I don't wanna lie
I just wanna know if staying
Is better than goodbyeOoh skies are black and blue
I'm thinking about you
Here in the calm after the stormOoh after all that we've been through
There ain't nothing new
Here in the calm after the stormMaybe I can find you
Down this broken line
Maybe you can find me
Guess we'll know in timeOoh skies are black and blue
I'm thinking about you
Here in the calm after the stormOoh after all that we've been through
There ain't nothing new
Here in the calm after the stormThere ain't nothing new
Here in the calm after the storm
