

# Set Fire To The Rain (Ember Waves Dubstep Remix)

[Adele](#)

I let it fall, my heart,  
And as it fell you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me  
My hands, they're strong  
But my knees were far too weak  
To stand in your arms  
Without falling to your feet  
But there's a side to you that I never knew, never knew  
All the things you'd say, they were never true, never true  
And the games you'd play, you would always win, always win  
But I set fire to the rain  
Watched it pour as I touched your face  
Let it burn while I cry  
'Cause I heard it screaming out your name, your name  
When laying with you  
I could stay there, close my eyes  
Feel you here, forever  
You and me together, nothing gets better  
Cause there's a side to you that I never knew, never knew  
All the things you'd say, they were never true, never true  
And the games you'd play, you would always win, always win  
But I set fire to the rain  
Watched it pour as I touched your face  
Let it burn while I cried  
'Cause I heard it screaming out your name, your name  
I set fire to the rain  
And I threw us into the flames  
Where I felt something die, 'cause I knew that  
That was the last time, the last time  
Sometimes I wake up by the door  
As if that heart you caught is still waiting for you  
Even now when it's already over  
I can't help myself from looking for you  
I set fire to the rain  
Watched it pour as I touched your face  
Let it burn while I cried  
'Cause I heard it screaming out your name, your name  
I set fire to the rain  
And I threw us into the flames  
Where I felt something die  
'Cause I knew that that was the last time, the last time, oh  
Oh, oh  
Let it burn, oh  
Let it burn  
Let it burn
