

Fucking on the Dance Floor (John B. Remix)

Dirty Sanchez

Look at you with your new wave haircut
Check you out with your airbrush make up
Look at you Check you out
Look at you with your white mesh half shirt
Check you out with your spandex mini skirt
Look at you Check you out
And Whats the deal with that hot shit head toss
WTF is that hot pick lip gloss
WHats the deal WTF you make me sick
Yeah RightYour such a black laquer table
Excuse me you sure talk alot
Well your as fake as a beauty shop magel
Admit it you want what i got
yu got invisible fangs and terry nun bangs, yur a ride
a cababradase non stop, your wearing too many belts and i bet they leave welts
shut up and dance 'cause i wanna popGet over herei Know wut yu want
