Under the Sheets

Ellie Goulding

Like all the boys before
Like all the boys boys boys boys
Like all the boys before
Like all the boys boys boys boysYou left a blood stain on the floor
You set your sights on him
You left a hand print on the door
Like all the boys before, like all the boys beforeThis is our luck baby, running out
Our clothes were never off
We still have our roads to run about
To scale the map, scale the map, to get us back on track
I've seen you in a fight you lost
I've seen you in a fightWe're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killing meLike all the boys before
Like all the boys boys boys boys
Like all the boys before
Like all the boys boys boys boysIn here the world won't bring us down
Our plan is gold dust
Out there a lonely girl could drown
In here we're frozenWhere did the people go?
My hands are empty
You're not the answer I should know
Like all the boys before, like all the boys beforeWe're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killing meWe're in a mess baby, we're in a mess babe
Your more is less babe, oh
We're in a mess baby, we're in a mess babe
Your more is less babe, oh ohWe're under the sheets and you're killing me
In our house made of paper and your words all over me
We're under the sheets and you're killing me
(I've seen you in a fight you lost)
Like all the boys before, like all the boys beforeWe're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killing meWe're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killing me
Killing, killing, killing me
Killing, killing, killing me
