RoboCop

Kanye West

Bout the baddest girl I ever seen
Straight up outta movie scene
Who knew she was a drama queen
That'll turn my life to Stephen King's
Up late night, like she on patrol
Checkin' everything like I'm on parole
I told her it's some things she don't need to know
She never let it go, oh

[Chorus]
Okay, okay, okay okay, you will never stop it now
You never stop it now
Okay, okay, okay, you will never stop it now
We need to drop it now, drop it, drop it

Cause I don't want no robocop
You movin' like a robocop
When did you become a robocop
No, I don't need a robocop

Just looking at your history
You're like the girl from misery
She said she ain't take it to this degree
Well let's agree to disagree
I know she kinda crazy but it turns me on
Keep it up enough to keep it going on
I told her it's some things she don't need to know
She never let it go, oh oh

[Chorus]

Cause I don't want no robocop
You movin' like a robocop
When you become a robocop
Somebody please make it stop

Stop, drop, roll, pop
Bitch, I'm cold,
Ain't use to being, told stop
So I can never be your Robot

Fast or slow
You can stay, you can go
Now that you know, now that you know
Yea I had her before, but that happened before
You get mad when you know
Soldiers don't ask me no more

[Chorus]

Okay
Okay
Okay (hey hey)
