Stars (Marius HÃ¶rsturz Edit)

The xx

I can give it all on the first date
I don't have to exist outside this place
And dear know that I can changeBut if stars, shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cos we can give it time
So much time
With meAnd I can draw the line on the first date
I'll let you cross it
Let you take every line I've got
When the time gets lateBut if stars, shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cos we can give it time
So much time
With meIf you want me
Let me know
Where do you wanna go
No need for talking
I already know
If you want me
Why goIf you want me
Let me know
Where do you wanna go
No need for talking
I already know
If you want me
Why goI can give it all on the first date
I don't have to exist outside this place
And dear know that I can changeBut if stars, shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cos we can give it time
So much time
With meBut if stars, shouldn't shine
By the very first time
Then dear it's fine, so fine by me
'Cos we can give it time
So much time

With me
