

# Ashes to Diamonds

## Tom Cochrane & Red Rider

I've seen enough  
The next time you better stay loose  
There's plenty of government action in the neighborhood  
It's a general uprisin'  
See the men in gold  
The P.M.'s bad man says give me one at a time  
CHORUS  
Ashes to diamonds  
Taken all they find  
Turning blood to gold  
Won't let go  
So damned hot  
The next time you better slow down  
If they catch you near the border  
Then it's nothing short of dead or alive  
Got your number son  
Now we'll get your Capetown buddy  
Then we're gonna take you out for a ride  
CHORUS  
The moon is on the horizon  
This time you better stay low  
There's nothing short of heaven  
Going to help you when this hell starts to blow  
There's a freeze on the lines here  
Nothing gets in or gets out  
The only thing you see  
Is what they show you in the government news  
CHORUS  
Ashes to diamonds  
Blood to gold (repeat)
