So Help Me Girl

Gary Barlow

Yeah, yeah
You could have kissed me
Like this wasn't gonna last
Kept me from saying
Something I'll never take back
You could've held me
Like there was no chance
Of me waking up where I am
You could have stopped short
Of every dream I've ever had
So help me girl you've gone too far
It's way too late to save my heart
The way it feels each time we touch
I know I've never been so loved
And I can't help myself
So help me girl, yeah
You've got to help me girl
You had to be there
Until the sun came up
Making last night feel like
A vision of things yet to come
You just had to hold me like nobody else
Now look what you've gone and done
You had to love me
Till I just can't get enough
Please, please
So help me girl, you've gone too far
It's way too late to save my heart
The way it feels, each time we touch
I know I've never been so loved
And I can't help myself
So help me girl, you've gone too far
It's way too late to save my heart
The way it feels, each time we touch
I know I've never been so loved
And I can't help myself
No, baby, I can't help myself
I can't help myself so help me girl
You've got to help me girl

'Cause I'm falling down
I'm falling down
You got to help me this time
'Cause I'm falling down
Falling down
You got to see my love
You've got to help me now, falling down
It's the emptiness I'm feeling inside
You got to save me girl
