Once upon a time, a child was born With a light, to carry on Didn't know what he had to be, had a feelin' He was bound to see So the streets, he fled to shine In a world of a different kind As he yearn, so he learnStop! Look what's behind you Fame and love gonna find you We're just here to remind you Yearn and learn is what you doHe just felt so, good inside Watchin' people come alive Throbbin' rhythm and it stirs your soul Melodies of joy unfold Gives your heart such a special treat Clap your hands, stomp your feet As we yearn, so we learnStop! Look what's behind you Fame and love gonna find you We're just here to remind you Yearn and learn is what you do
