

# Ain't He Good Children

## Damian Price-n-Praise

Ain't he good children, ain't he good  
Always made a way for me  
Apen doors I could not see  
ain't he good children, ain't he good

Didn't he save children, didn't he save  
Didn't he save children didn't he save  
Save my soul from a burning hell  
Now for him, I must tell  
Didn't he save children, didn't he save

Did he touch children, didn't he touch  
Didn't he touch children, didn't he touch Touch me with his powerful hand  
Now for him, I must stand  
Didn't he touch children, didn't he touch

Didn't he love children, didn't he love Didn't he loved children, didn't he loved  
All the way to cavalry's cross  
So my soul would not be lost  
Didn't he love children didn't he love

Aint he good children  
Didn't idn't he save children  
Didn't he touch children  
Didn't he love children
