# Give You Up

## Ron Pope

And I ain't ever gonna give you up
No I ain't ever gonna give you up
Well I ain't seen my baby, since I don't know when
Got everything around me going crazy, don't know when I'll be back again
And every night I think about waking up next to her in my dreams
But I don't wanna dream anymore
No I don't wanna dream anymore
And I ain't ever gonna give you up
No matter where I'm at I'm with you, baby
No I ain't ever gonna give you up
And I can wait how ever long it takes me
One day we can be something
And I know I'm gonna wait for you
'Til I don't gotta dream anymore
'Til I don't gotta dream anymore
I know what they've been saying about me, but honey I don't mind (I don't mind)
'Cause they all wanna see you be without me, we got something they can't find (They can't find)
And even though I'm always gonna, ain't gonna do the thing I used to do
But I don't wanna dream anymore
No I don't wanna dream anymore
And I ain't ever gonna give you up
No matter where I'm at I'm with you, baby
No I ain't ever gonna give you up
And I can wait how ever long it takes me
One day we can be something
And I know I'm gonna wait for you
'Til I don't gotta dream anymore
'Til I don't gotta dream anymore
No I don't really wanna dream anymore, baby

'Cause when I got you there for real it's amazing
And there ain't anybody who could pick you up like I do (like I do)
No I don't really wanna dream anymore, baby
'Cause when I got you there for real it's amazing
And there ain't anybody who could pick you up like I do (like I do)
And I ain't ever gonna give you up
No I ain't ever gonna give you up
And I ain't ever gonna give you up
No matter where I'm at I'm with you, baby

No I ain't ever gonna give you up
And I can wait how ever long it takes me
One day we can be something
And I know I'm gonna wait for you
'Til I don't gotta dream anymore
'Til I don't gotta dream anymore(Baby, baby)
And I ain't ever gonna give you up(Baby, baby)
No matter where I'm at I'm with you, baby(Baby, baby)
No I ain't ever gonna give you up(Baby, baby)
And I can wait how ever long it takes me(Baby, baby)
One day we can be something(Baby, baby)
And I know I'm gonna wait for you(Baby, baby)
'Til I don't gotta dream anymore(Baby, baby)
'Til I don't gotta dream anymore(Baby, baby)
(Baby, baby)
(Baby, baby)
(Baby, baby)
(Baby, baby)
(Baby, baby)
(Baby, baby)
(Baby, baby)
