

# Make the Music Go Bang

X

ive seen alot of people with plenty of guts they say make "my music new & loud & rough" give it a beat of give it a twang in a dark sweaty club its the same damn thing bang bang make the music go bang! brilliant shinning & nasty bang bang make the music go bang! let me hear the guitar sound like a train bang bang let the music go bang! you cant drive around and hear your favorite song so you tape it live if you can get inside when it comes along i cant understand people who bitch & whine lets drink a beer from a paper bag while we got time bang bang let the music go bang! brilliant shining & nasty nasty bang make the music go bang! let me hear a guitar sound like a train bang bang make the music go bang! bang bang make the music go bang!
